

HOSPITAL COMMITTEES

For the purpose of directing efficient and continued hospital activities towards improvement, the hospital has constituted various committees that recommend, train personal, monitor and control monitoring of services

Hospital committees constituted by the hospital aim at monitoring various activities and making recommendation for improvement. These committees are:

- Cardio-Pulmonary Resuscitation Committee.
- Pharmaco-Therapeutic Committee.
- Ethics Committee.
- Hospital Infection Control Committee And Hospital Infection Control Team.
- Clinical Audit Committee.
- Audit Committee.
- Quality Improvement Committee.
- Safety Committee.
- Discipline And Grievance Handling Committee.
- Internal Compliant Committee.
